| LIST OF TABLES .....                                                              | viii |
| LIST OF FIGURES .....                                                             | ix   |
| ABSTRACT .....                                                                    | x    |
| INTISARI.....                                                                     | xi   |
| CHAPTER I .....                                                                   | 1    |
| 1.1 Research Background.....                                                      | 1    |
| 1.2 Problem Statement .....                                                       | 7    |
| 1.3 Research Questions .....                                                      | 10   |
| 1.4 Research Objective.....                                                       | 11   |
| 1.5 Research Contribution .....                                                   | 12   |
| 1.6 Research Scope.....                                                           | 13   |
| 1.7 Systematic of Writing.....                                                    | 15   |
| CHAPTER II.....                                                                   | 17   |
| 2.1 Theoretical Framework .....                                                   | 17   |
| 2.1.1 Celebrity Endorsement .....                                                 | 17   |
| 2.1.2 Source Credibility Theory .....                                             | 19   |
| 2.1.3 Congruency Theory .....                                                     | 22   |
| 2.1.4 Attitude Towards The Ad and Purchase Intention .....                        | 24   |
| 2.2 Previous Research .....                                                       | 25   |
| 2.3 Hypothesis Development .....                                                  | 27   |
| 2.3.1 The effect of celebrity attractiveness on consumer attitude towards the ad  | 28   |
| 2.3.2 The effect of celebrity expertise on consumer attitude towards the ad ..... | 29   |
| 2.3.3 The effect of celebrity trustworthiness on consumer attitude towards the ad | 30   |
| 2.3.4 The effect of product-celebrity congruence on consumer attitude towards     | 30   |
| the ad.....                                                                       | 30   |
| 2.3.5 The effect of self-celebrity congruence on consumer attitude towards the ad | 31   |

|                                                                                             |    |
|---------------------------------------------------------------------------------------------|----|
| 2.3.6 The effect of attitude towards the ad in regards to consumer purchase intention ..... | 33 |
| 2.4 Research Model .....                                                                    | 34 |
| CHAPTER III .....                                                                           | 36 |
| 3.1 Research Design .....                                                                   | 36 |
| 3.2 Operational Variables.....                                                              | 36 |
| Table 3.1 Definition of Operational Variables (continuation) .....                          | 39 |
| 3.3 Data Sources .....                                                                      | 40 |
| 3.3.1 Primary Data .....                                                                    | 40 |
| 3.3.2 Secondary Data .....                                                                  | 41 |
| 3.4 Population and Sample .....                                                             | 41 |
| 3.4.1 Population .....                                                                      | 41 |
| 3.4.2 Sample .....                                                                          | 42 |
| 3.4.3 Sample Size.....                                                                      | 43 |
| 3.5 Research Instrument .....                                                               | 44 |
| 3.6 Data Analysis Method .....                                                              | 45 |
| 3.6.1 Outer Model Testing.....                                                              | 45 |
| 3.6.1.1 Validity Test .....                                                                 | 46 |
| 3.6.1.2 Reliability Test.....                                                               | 47 |
| 3.6.2 Inner Model Testing.....                                                              | 47 |
| CHAPTER IV .....                                                                            | 48 |
| 4.1 Data Collection.....                                                                    | 48 |
| 4.2 Respondents Characteristics Description .....                                           | 49 |
| 4.2.1 Age.....                                                                              | 49 |
| 4.2.2 Gender.....                                                                           | 50 |
| 4.2.3 Occupation .....                                                                      | 51 |
| 4.2.4 Previous Education .....                                                              | 52 |
| 4.2.5 Income .....                                                                          | 53 |
| 4.3 Outer Model Analysis .....                                                              | 55 |
| 4.3.1 Convergent Validity Test.....                                                         | 55 |
| 4.3.2 Discriminant Validity Test.....                                                       | 58 |
| 4.3.3 Reliability Test.....                                                                 | 59 |

|                                                                             |     |
|-----------------------------------------------------------------------------|-----|
| 4.4 Descriptive Analysis.....                                               | 60  |
| 4.5 Inner Model Analysis .....                                              | 66  |
| 4.5.1 R-squares, VIF score, and Q <sup>2</sup> (Predictive Relevance) ..... | 66  |
| 4.5.2 Hypothesis Testing .....                                              | 68  |
| 4.6 Result and Discussion .....                                             | 72  |
| 4.6.1 First Hypothesis Discussion.....                                      | 72  |
| 4.6.2 Second Hypothesis Discussion .....                                    | 74  |
| 4.6.3 Third Hypothesis Discussion .....                                     | 75  |
| 4.6.4 Fourth Hypothesis Discussion .....                                    | 77  |
| 4.6.5 Fifth Hypothesis Discussion .....                                     | 78  |
| 4.6.6 Sixth Hypothesis Discussion .....                                     | 79  |
| CHAPTER V .....                                                             | 82  |
| 5.1 Conclusion .....                                                        | 82  |
| 5.2 Managerial Implication .....                                            | 85  |
