## ACKNOWLEDGEMENTS

Praise be to God Almighty, who has given His mercy and grace so that the writer can complete the thesis entitled "Delivering Digital Service in the Public Sector: User Experience (UX) Analysis of the SIARAN TANGSEL Mobile Application Towards Public Satisfaction of South Tangerang City". The purpose of writing this thesis is to complete one of the graduation requirements to obtain a Bachelor of Political Science degree in the Department of Public Policy Management, Faculty of Social and Political Sciences, Gadjah Mada University. The author realizes that there are many obstacles and difficulties encountered. However, with the help, direction, and support from various parties, the researcher was able to complete it to the end. Therefore, the author would like to express her gratitude to:

1. Yuyun Purbokusumo, Drs., M. Si., Ph.D., as the first supervisor. Thank you for your patience in guiding me, providing support and knowledge so that I can complete my thesis.
2. Mas Bima, as my mentor in compiling this thesis. Thank you for the support and knowledge you provide. As well as advice and input during guiding me, so that I can finish this thesis.
3. All lecturers and staff of the teaching department of the Public Policy and Management, thank you very much for all the help during the lecture process and the process of writing this thesis.
4. Mrs. Pujiastuti Mardiyarini, Mr. Tatang Kurniawan and my older siblings Intan Nurani Lestari and Shafira Kurniawaty Utami who always provide a lot of support and prayers to complete my studies.
5. Kinaryossy Diva, Allisya Defania, Salsabilla Azani, Arshya Rayhandra, Annisa Rahmania, Diva Nandya who have accompanied and processed the many ups and downs of my life to this day. Thank you for always being together and not getting tired of chasing the dreams that are still ahead.
6. Family, friends, loved ones and all parties that cannot be mentioned one by one.

The author realizes that there are still many shortcomings in this thesis, therefore, constructive criticism and suggestions are highly appreciated. Hopefully the kindness given is rewarded by the God Almighty. The author hopes that this research can be a reference for further research. The author apologizes if there are still many mistakes and drawbacks. May goodness, health, and longevity always be with us all. Thank You.
