

INTISARI

Tujuan – Penelitian ini bertujuan untuk menganalisis penerapan prinsip *good government governance* (GGG) dalam pelaksanaan dana desa di Kampung Mansinam, mengidentifikasi tantangan penerapan prinsip GGG, dan mengidentifikasi upaya yang dilakukan dalam rangka meningkatkan penerapan prinsip GGG dalam pelaksanaan dana desa di Kampung Mansinam.

Metode Penelitian – Penelitian ini menggunakan pendekatan kualitatif studi kasus. Pengumpulan data dilakukan dengan wawancara dan dokumentasi.

Temuan – Hasil penelitian menunjukkan bahwa telah dilakukan pembenahan dalam menerapkan prinsip GGG yaitu partisipasi, transparansi, dan akuntabilitas sesuai yang diamanatkan dalam Peraturan Menteri Dalam Negeri Nomor 20 Tahun 2018. Namun, dalam menerapkan prinsip tersebut menjadi tidak optimal karena masih terdapat tantangan kekerabatan yang mengakar kuat di kampung tersebut.

Originalitas/Nilai – Penelitian ini dilakukan untuk menggali lebih dalam tentang penerapan prinsip GGG yaitu partisipasi, transparansi, dan akuntabilitas dalam pelaksanaan dana desa dan didukung dengan menggunakan teori *stakeholder*

ABSTRACT

Objectives - *This research aims to analyze the implementation of good government governance (GGG) principles in the execution of village funds in Mansinam Village, identify the challenges of implementation GGG principles, and identify efforts made in order to improve the implementation of GGG principles in the execution of village funds in Mansinam Village.*

Research Methods - *This research used a qualitative case study approach. Data collection was done by interview and documentation.*

Research Results - *The results showed that improvements have been made in implementing the GGG principles of participation, transparency, and accountability as mandated in the Minister of Home Affairs Regulation No. 20/2018. However, in implementing these principles was not optimal because there were still challenges to deeply rooted kinship culture in the village.*

Originality/Value - *This research is conducted to delve deeper into the implementation of GGG principles of participation, transparency, and accountability in the execution of village funds and is supported by using stakeholder theory.*

Keywords: *Village Fund, Village Fund Execution, Good Government, Governance Principles, Participation, Transparency, Accountability, Stakeholder Theory*
