Hereby I the undersigned:

Full name : Fauziyyah Ariffa
Student Number : 21/476025/PTP/01829
Admission year : 2021
Study Program : Master of Food Science and Technology
Faculty : Agricultural Technology

Declare that this Master Thesis submission is my own work. It did not include content that had already been published or authored by other people, nor did it include material that had previously been accepted for the award of any other degree at any other university. Universitas Gadjah Mada or any other educational establishment. Several contributions were made in the research by people who work at Universitas Gadjah Mada and Yamagata University, which is explicitly acknowledged in the Master Thesis.
