

INTISARI

Satuan teritorial TNI AD meliputi Kodam, Korem, Kodim dan Koramil. Kodim 0715 merupakan satuan kewilayahan yang berkedudukan di bawah Korem 073/Makutarama. Kodim menyelenggarakan Binter dengan metode pembinaan perlawanan wilayah, komunikasi sosial dan Bhakti TNI. Di samping melaksanakan pembinaan teritorial, Kodim 0715 juga mendukung menjaga kondusivitas keamanan wilayah di Kabupaten Kendal. Tujuan penelitian ini untuk mengetahui (1) pelaksanaan peran Komando Teritorial dalam menjaga keamanan wilayah Kodim 0715/Kendal; (2) implikasinya terhadap ketahanan wilayah di Kodim 0715/Kendal.

Penelitian ini menggunakan metode penelitian kualitatif deskriptif karena dinilai relevan untuk mengamati gejala dan fenomena sosial terkait peran komando teritorial dalam menjaga keamanan demi terwujudnya ketahanan sosial khususnya di wilayah Kodim 0715/Kendal

Hasil penelitian ini menunjukkan bahwa pertama, pelaksanaan peran Komando Teritorial Kodim 0715/Kendal saat ini belum maksimal karena masih ada kendala-kendala sebagai berikut; kebijakan Binter Kodim tidak optimal dalam menjaga keamanan karena komando atas belum memberikan dukungan anggaran sesuai tipologi ancaman wilayah Kabupaten Kendal, jumlah Babinsa perdesa hanya 1 orang sedangkan jumlah masyarakat ribuan orang, Strategi Kodim tidak optimal dalam menjaga keamanan karena kurangnya dukungan insentif Babinsa, Pemerintah daerah dan Kodim belum memiliki satu visi dalam menyiapkan wilayah pertahanan darat, belum didukung dengan perlengkapan yang memadai dalam menjaga keamanan wilayah, dan Komunikasi Binter Kodim tidak optimal dalam menjaga keamanan karena belum adanya dukungan anggaran sarana penggalangan atau sarana kontak saat Babinsa melaksanakan Komsos. Kedua, kondisi panca gatra dan tri gatra wilayah Kendal dalam keadaan buruk merupakan dampak dari peran Binter yang tidak maksimal sehingga menimbulkan ancaman keamanan di wilayah kabupaten Kendal yang kemudian berimplikasi terhadap buruknya kondisi ketahanan wilayah Kabupaten Kendal

Kata Kunci: Peran, Komando Teritorial, Keamanan, Ketahanan Wilayah

ABSTRACT

The teritory unit consist of Kodam, Korem, Kodim and Koramil. Kodim 0715 was the area unit which was under Korem 073/Makutarama. Kodim conducted territory coaching with method, against area coaching, social communication coaching and devotion coaching. Besides territory coaching, Kodim 0715 supported to watch, secured the stability area in Kendal regency. The purpose of this research were (1) to know the role of territory commanding in keep securing of area in Kendal regency; (2) to know the implication to the Regional resielence in Kodim 0715/Kendal.

This research was using method descriptif qualitative because it relevant for observing the social phenomena which relating with the role of territory commanding in securing area for to create social defence especially in Kendal regency area

The result of this research show were, first, the conducting of role of territory commanding now does not maximize coz have been obstacles were; Kodim regulation didn't maximize in keeping security as a result top level command did not give budget supporting which adapted with threatning of Kendal regency area; didn't have strong law as instruction for territory members who keeping area security; the kodim strategy in keeping security did not maximize because lack of Babinsa budgeting supporting; Kodim and regency government did not have one vision in defence preparing area; and Kodim territory communication did not maximize in keeping security coz didn't have budgeting supporting of tools for Babinsa doing social communication. Second, the impact did not maximize of Kodim territory role which implicated to situation does not maximize of Regional resielence in Kodim 0715. It's situation seeming from condition of Trigatra and panca gatra were in bad in Kendal area
