Thank you for doing life with me, and for tolerating any parasocial relationships I've developed with different fictional characters throughout the years.
6. Rhafie, whom I constantly find comfort in through his incomparable humour and wisdom. Thank you for being my best friend and moral support in London, Yogyakarta, and more to come.
7. Naomi, my one-call-away and main moral support throughout this university and thesis life. Thank you for the impulsive trips to random places and constant spontaneous café-hopping sprees in an attempt to get our manuscripts done.
