## PREFACE

All praise and gratitude the author offers to God the Almighty, for all the outpouring of His grace and guidance so that the author is able to complete the thesis entitled "The Role of Innovative Credit Scoring to Ethical Considerations" on time. This thesis was written in order to fulfil the requirements to achieve a Bachelor of Economics degree in the International Undergraduate Program of Accounting, Faculty of Economic and Business, Universitas Gadjah Mada, Yogyakarta.

In completing the study and writing of this thesis, the researcher has received a lot of assistance, both teaching, guidance and direction from various parties, both directly and indirectly. For that, the author expresses his deepest appreciation and gratitude to:

1. Prof. Dr., Didi Achjari, M.Com., Ak., CA. as the Dean of the Faculty of Economic and Business, Universitas Gadjah Mada, Yogyakarta.
2. Choirunnisa Arifa, S.E., M.Sc., Ph.D., Ak., CA. as the head of the accounting study program of the Faculty of Economic and Business, Universitas Gadjah Mada, Yogyakarta.
3. Ahmad Zaki, S.E., M.Acc., Ph.D. as the Supervisor who has taken the time in the midst of the busy schedule to provide criticism, suggestions and direction to the author in the process of thesis writing.
4. To all faculty members of Faculty of Economic and Business, Universitas Gadjah Mada, which has been contributing to be the greatest support for my academical journey and achievement.

The author realizes that the preparation of this thesis is far from perfect due to the limitations of the author's abilities and knowledge. Therefore, for any errors and deficiencies in writing this thesis, the author apologizes and is willing to accept constructive criticism. Finally, the author hopes that this thesis can provide benefits to anyone who reads it.
