STATEMENT OF AUTHENTICITY OF WRITTEN THESIS

I, the undersigned, state that this written thesis entitled:

Jee

Maximize Loads, Minimize Roads — Every Elder Matters

and presented for examination on May 9th 2025, is my own work.

I hereby solemnly state that this thesis does not contain, in whole or in part, the work of any other person, in the form of plagiarized or copied phrases or symbols showing the ideas or thoughts of another writer presented as if they were my own; nor does it contain, in part or in whole, writing that I have copied, plagiarized or taken from the writing of another person without recognizing the original author. In the event that, knowingly or otherwise, I have undertaken the above, I shall withdraw the thesis I have presented as my own work. If, henceforth, it is proven that I copied or plagiarized the work of another person presenting it as if it were my own, the degree and diploma awarded by the university **shall be revoked**.

ACKNOWLEDGEMENT

The author would like to express his gratitude to God Almighty for all His blessings so that the author can complete this thesis. This thesis was compiled and submitted to fulfill one of the requirements that must be met to achieve a Master's degree in the Master of Management Study Program, Faculty of Economics and Business, Universitas Gadjah Mada. The compilation of this thesis cannot be separated from the assistance and guidance of various parties. Therefore, on this occasion the author would like to express his highest gratitude and appreciation to:

1. Ms. Beatrice Ong as the project mentor, who has provided knowledge, guidance, advice and direction.
2. Professor Edmund Lee, Mr Sam Tsui, Ms. Kwan Yoke Shang, and Ms. Sherry Wang as the examiners. Thank you for your time and advice.
3. Professor Harry Huo, Professor Matthew Tan, Professor Hock Meng, and all academic staff of the Master of Science in Venture Creation (MSc VC) Program at NUS for their knowledge and assistance during the study and writing of the thesis.
4. Fellow team 28 Jee members, Managam Silalahi (CEO), Xiao Zhenhua (CFO), and Clarissa Tania (CFO), for providing great support and cooperation in completing this project from start to finish.
5. Fellow MSc VC 5 cohort friends who together with the author faced the joys and sorrows of college and continued to provide support and cooperation in completing this thesis.

The author hopes that this article can be useful and contribute to Singapore and Indonesia's Eldercare industry transportation planning.
