|-----------------------------------------------------------|------|
| PAGE COVER .....                                          | i    |
| PAGE OF APPROVAL .....                                    | iii  |
| STATEMENTS OF AUTHENTICITY .....                          | iv   |
| ACKNOWLEDGEMENT .....                                     | v    |
| TABLE OF CONTENTS .....                                   | vii  |
| LIST OF TABLES .....                                      | x    |
| LIST OF FIGURES .....                                     | xi   |
| LIST OF APPENDICES .....                                  | xii  |
| ABSTRACT .....                                            | xiii |
| CHAPTER I. INTRODUCTION .....                             | 1    |
| A. Scientific Background .....                            | 1    |
| B. Research Problem .....                                 | 2    |
| C. Research Aims .....                                    | 2    |
| D. Research Benefits .....                                | 2    |
| CHAPTER II. LITERATURE REVIEW & HYPOTHESIS .....          | 3    |
| A. Literature Review .....                                | 3    |
| 1. Stingless bee ( <i>Tetragonula laeviceps</i> ) .....   | 3    |
| 2. Histology Structure of The Skin .....                  | 5    |
| 3. Second Degree Burn .....                               | 6    |
| 4. Wound Healing .....                                    | 7    |
| B. Hypothesis .....                                       | 8    |
| CHAPTER III. METHODOLOGY .....                            | 9    |
| A. Time & Place .....                                     | 9    |
| B. Tools & Materials .....                                | 9    |
| C. Procedure .....                                        | 10   |
| 1. Propolis preparations .....                            | 10   |
| 2. Induction of 2 <sup>nd</sup> degree burn on rats ..... | 10   |
| 3. Treatments .....                                       | 12   |
| 4. Histological Preparations .....                        | 12   |
| D. Data Collection & Statistical Analysis .....           | 14   |

|                                               |    |
|-----------------------------------------------|----|
| CHAPTER IV RESULTS & DISCUSSIONS .....        | 17 |
| A. Propolis Properties .....                  | 17 |
| B. Wound Contraction Percentage.....          | 18 |
| C. Macroscopic Evaluation.....                | 20 |
| D. Skin Analysis .....                        | 23 |
| E. Histopathology Evaluation.....             | 27 |
| CHAPTER V. CONCLUSION AND RECOMMENDATION..... | 35 |
| REFERENCES.....                               | 37 |
| APPENDICES.....                               | 43 |
