

## Daftar Isi

|                                                                            |      |
|----------------------------------------------------------------------------|------|
| HALAMAN JUDUL .....                                                        | i    |
| HALAMAN PENGESAHAN .....                                                   | v    |
| PERNYATAAN BEBAS PLAGIASI .....                                            | vi   |
| HALAMAN PERSEMBAHAN .....                                                  | vii  |
| KATA PENGANTAR .....                                                       | viii |
| DAFTAR ISI.....                                                            | x    |
| DAFTAR GAMBAR .....                                                        | xii  |
| DAFTAR TABEL .....                                                         | xiii |
| DAFTAR LAMPIRAN.....                                                       | xiv  |
| INTISARI .....                                                             | xv   |
| <i>ABSTRACT</i> .....                                                      | xvi  |
| BAB I PENDAHULUAN .....                                                    | 1    |
| I.1 Latar Belakang.....                                                    | 1    |
| I.2 Rumusan Masalah.....                                                   | 4    |
| I.3 Tujuan Penelitian .....                                                | 4    |
| I.4 Pertanyaan Penelitian .....                                            | 4    |
| I.5 Ruang Lingkup .....                                                    | 5    |
| I.6 Manfaat Penelitian.....                                                | 5    |
| I.7 Tinjauan Pustaka.....                                                  | 6    |
| I.8 Hipotesis .....                                                        | 9    |
| BAB II LANDASAN TEORI.....                                                 | 10   |
| II.1 Banjir.....                                                           | 10   |
| II.2 <i>Synthetic Aperture Radar</i> (SAR).....                            | 11   |
| II.3 Sentinel-1 .....                                                      | 14   |
| II.4 Respon <i>Backscatter</i> terhadap Permukaan .....                    | 20   |
| II.5 Polarisasi SAR.....                                                   | 21   |
| II.6 Deteksi Perubahan ( <i>Change detection/Image differencing</i> )..... | 22   |
| II.7 <i>Thresholding</i> .....                                             | 23   |
| II.8 Uji Akurasi .....                                                     | 24   |
| BAB III PELAKSANAAN PENELITIAN.....                                        | 27   |
| III.1 Lokasi Penelitian.....                                               | 27   |
| III.2 Peralatan dan Bahan Penelitian.....                                  | 28   |
| III.2.1 Peralatan Penelitian .....                                         | 28   |
| III.2.2 Bahan Penelitian.....                                              | 29   |
| III.3 Tahapan Penelitian .....                                             | 30   |
| III.3.1 Persiapan .....                                                    | 30   |
| III.3.2 Pengolahan Data.....                                               | 33   |
| BAB IV HASIL DAN PEMBAHASAN .....                                          | 43   |
| IV.1 Hasil Deteksi Genangan Air dari Formula Polarisasi.....               | 43   |
| IV.1.1 Hasil <i>Pre-processing</i> .....                                   | 43   |
| IV.1.2 Hasil Normalisasi Citra .....                                       | 45   |
| IV.1.3 Hasil Formula Polarisasi.....                                       | 48   |
| IV.1.4 Hasil <i>Image differencing</i> .....                               | 52   |
| IV.1.5 Hasil <i>Thresholding Biner</i> .....                               | 55   |
| IV.2 Hasil Uji Akurasi.....                                                | 62   |
| IV.2.1 Hasil Uji Akurasi .....                                             | 62   |

|                                                                  |    |
|------------------------------------------------------------------|----|
| IV.2.2 Analisis Akurasi Deteksi Genangan Air .....               | 71 |
| IV.3 Visualisasi Genangan Banjir Kabupaten Demak Tahun 2024..... | 73 |
| IV.3.1 Peta Genangan Air Banjir .....                            | 73 |
| BAB V KESIMPULAN DAN SARAN .....                                 | 75 |
| V.1 Kesimpulan.....                                              | 75 |
| V.2 Saran .....                                                  | 75 |
| Daftar Pustaka.....                                              | 76 |
| Lampiran.....                                                    | 80 |
