## LAMPIRAN

### A. Kuesioner *User Experience* dalam format UEQ-S

#### ***KUESIONER USER EXPERIENCE UNTUK PERANCANGAN DESAIN ANTARMUKA APLIKASI INFORMASI AKADEMIK***

Dengan hormat,

bersama ini kami mohon kesediaan para responden untuk mengisi kuesioner yang telah disediakan dengan tujuan:

1. Membantu pengumpulan data untuk dijadikan evaluasi tampilan antarmuka pada aplikasi informasi akademik.
2. Memberikan masukan atas uji coba tampilan antarmuka pada aplikasi informasi akademik.

Dalam kuesioner ini tidak ada jawaban benar/salah, sehingga anda diharapkan dapat menjawab pertanyaan yang telah disediakan dengan seakurat mungkin sesuai dengan pengalaman anda.

Untuk melakukan asesmen atau evaluasi terhadap produk dimaksud, silakan mengisi kuisisioner berikut ini. Kuisisioner terdiri dari pasangan atribut bertolak belakang secara makna yang dapat merepresentasikan produk. Lingkaran-lingkaran yang berada di antara atribut merepresentasikan gradasi antar atribut yang bertolak belakang. Anda dapat mengekspresikan persetujuan terhadap atribut yang ada dengan cara memilih lingkaran yang
