COVER	1
APPROVAL.....	2
TABLE OF CONTENT	3
LIST OF FIGURES AND TABLES	5
ABBREVIATIONS	7
DECLARATION OF AUTHENTICITY.....	8
ACKNOWLEDGEMENT	9
ABSTRACT.....	10
CHAPTER I INTRODUCTION	12
A. Background.....	12
1. Malnutrition in Indonesia and Banten Province	12
2. Infrastructure and development	14
3. Nutrition surveillance.....	15
B. Relevance.....	17
C. Problem statement	18
D. Research objective	19
1. Study aim	19
2. Objectives	19
E. Research impact	19
F. Originality	20
CHAPTER II LITERATURE REVIEW	22
A. Literature review	22
1. Nutritional status.....	22
2. Nutrition surveillance system in national and district level	23
3. Adoption of new technology application	26
4. The Development of nutritional system application and software : Nutritional Status Monitoring (PSG), Under-Five Nutritional Status Reporting and Monitoring System (SPPSG), and Recording and Reporting Community-Based Nutritional App (e-PPGBM).....	27
B. Theoretical framework.....	32
C. Conceptual framework.....	33
D. Research questions	34
CHAPTER III RESEARCH METHOD	35
A. Research type and design.....	35
B. Research settings and time	36
C. Research subjects	36
1. Population.....	36
2. Sample size.....	37
D. Research variables	40
E. Operational definition variables	40

F. Data collection and research instrument.....	41
G. Data analysis.....	42
H. Research ethics	43
I. Research team.....	44
J. Dissemination of Research and Research Results.....	44
K. Monitoring and evaluation	44
CHAPTER IV RESULT AND DISCUSSION	46
A. Quantitative result	46
1. The availability of sufficient internet and computers in primary health care centers	47
2. The perception and behavioral of health workers in primary health care centers toward e-PPGBM utilization	52
B. Qualitative result	62
C. Discussion	70
1. Perceived usefulness, perceived ease of use, output quality, result demonstrability and computer self-efficacy, behavioral intention to use, actual use of E-PPGBM in primary health care centers in Serang District	70
2. The availability of sufficient internet, computers and standard operational procedures (SOP) in primary health care centers	76
3. Organizational structures and roles in primary health care and District Health Office	79
4. Data recording and reporting regulation to the national level	84
CHAPTER V CONCLUSION AND RECOMMENDATION.....	90
REFERENCES.....	92
ANNEXES	104
