INTISARI

Penelitian ini bertujuan untuk mengkaji sejauh mana prinsip-prinsip GCG diimplementasikan oleh Dewan Komisaris PT ASABRI (Persero) dalam pelaksanaan tugasnya, dan hambatan-hambatan apa saja yang dihadapi oleh Dewan Komisaris dalam menerapkan prinsip-prinsip GCG.

Dalam melakukan penelitian, agar didapatkan hasil yang valid, penulis menggunakan metode penelitian empiris. Melalui metode ini, penulis menggunakan pendekatan kepustakaan berkaitan dengan teori maupun aturan-aturan terkait penerapan prinsip-prinsip GCG sebagai acuan dalam hal data maupun informasi. Disamping itu, penulis juga melakukan pendekatan sosiologis dengan melakukan pengumpulan data dan fakta di lapangan yang menjadi lokasi penelitian

Berdasarkan penelitian yang telah dilakukan, penulis menarik kesimpulan, **pertama** bahwa penerapan prinsip-prinsip GCG pada pelaksanaan tugas Dewan Komisaris PT ASABRI (Persero) memiliki kelemahan dalam hal pemenuhan prinsip transparansi, akuntabilitas, dan independensi; **kedua**, terdapat 2 (dua) faktor yang menjadi kendala dalam penerapan GCG Dewan Komisaris, sehingga rekomendasi *assessment* GCG maupun *Self Assessment* GCG tidak sepenuhnya ditindaklanjuti, yaitu koordinasi Dewan Komisaris dan arsip administrasi/dokumentasi yang tidak lengkap ; **ketiga**, upaya-upaya yang dapat dilakukan oleh Dewan Komisaris agar penerapan prinsip-prinsip GCG dapat terpenuhi adalah dengan berkomitmen untuk tertib administrasi, menyusun rencana kerja dengan spesifik, meningkatkan intensitas pertemuan Dewan Komisaris, dan menindaklanjuti setiap rekomendasi yang muncul pada *Assessment* GCG maupun *Self Assessment* GCG.

ABSTRACT

This study aims to examine the extent to which Good Corporate Governance (GCG) principles are implemented by the Board of Commissioners of PT ASABRI (Persero) in carrying out their duties, and which kind of obstacles that are faced by the Board of Commissioners in implementing GCG principles.

In conducting research, to obtain valid results, the author uses empirical research methods. Through this method, the author uses the literature approach related to theories and rules related to the application of GCG principles as a reference in terms of data and information. In addition, the author also conducted a sociological approach by collecting data and facts on the field that became the location of the research

Based on the research that has been done, the authors draw the conclusions. First conclusion is that the application of GCG principles in the implementation of the duties of the Board of Commissioners of PT ASABRI (Persero) has weaknesses in terms of fulfilling the principles of transparency, accountability and independence; second, there are 2 (two) factors that resulting as a barrier in the implementation of the GCG of the Board of Commissioners, thus, the assessment recommendations for GCG and GCG Self Assessment are not fully exercised, namely the coordination of the Board of Commissioners itself and incomplete administrative/documentation files; third, the efforts that can be carried out by the Board of Commissioners so that the implementation of GCG principles can be fulfilled are by committing to orderly administration, formulating work plans specifically, increasing the intensity of Board of Commissioners meetings, and following up on any recommendations that arise in GCG Assessment or GCG Self Assessment.
