CHAPTER I INTRODUCTION

A. Background.....	1
B. Problem Formulation.....	4
C. Study Purpose	6
D. Study Contribution	6
E. Method.....	7
1. Design.....	7
a. Nature Studies.....	7
b. Scope of Study Topics.....	7
c. Subject and Object of the Study.....	7
d. Data.....	8
e. Data Collection Method	8
2. Analysis Method.....	9

CHAPTER II THEORETICAL FOUNDATION

A. Industry Structure and Key Factors of Industrial Success.....	13
1. Industrial Structure.....	13
2. Industry Key Success Factors	18
B. Resources, Capabilities and Core Competencies.....	18
C. Strengths and Weaknesses Internal Organization.....	19
D. Value Chain Analysis.....	20
1. Main Activities.....	21
2. Supporting Activities.....	22
E. Sustainable Competitive Advantage.....	23
F. Concept Appraisal of Strengths and Weaknesses as a Source of Sustainable Competitive Advantage.....	25
1. Alternative Value.....	26
2. Questions Concerning the "Value"	27
3. Questions Concerning the "Scarcity"	28
4. Questions Concerning the "Imitation"	29
5. Questions about "The ability in terms of Sustainability"	29
G. Concept of Sustainable Competitive Advantage Source Evaluation.....	30
H. the concept of Core Competence Assessment.....	30

CHAPTER III INDUSTRY AND COMPANY PROFILE

A. Industry Profile.....	32
1. Distribution.....	32
2. Picture of The Distribution Sector.....	36
3. Producer.....	36

4. Product	37
5. Customer.....	39
6. Resources	47
7. Suppliers.....	50
8. Conditions Affecting Industry Competition.....	52
9. Market Potential	61
a. Transforming into Industrial Real Market Potential.....	62
b. Starting from the Education.....	64
c. Change Implementation Strategy.....	66
B. Company Profile.....	68
1. Overview of PT. Metrodata e-Bisnis.....	68
2. Corporate Vision	70
3. Company Structure	71
4. Business Partners	72
4.1. Business Partners PT. Metrodata Electronics, Listed.....	72
4.2. Business Partners PT. Mitra Integrasi Informatika.....	73
4.3. Business Partners PT. Metrodata e-Bisnis.....	76
4.4. Own Brand PT. Metrodata e-Bisnis.....	77
4.6. Appreciation.....	78

CHAPTER IV DATA ANALYSIS AND DISCUSSION

A. Distribution Industry Structure Analysis.....	82
1. Possible Threats New Players	83
2. Buyer Bargaining Power.....	86
3. Bargaining power of Supplier.....	89

4. Threat of Substitute Products.....	92
5. Inter-player competition that already exists in the Industry.....	94
6. Conclusion Analysis of Industrial Structure.....	99
B. Observation and Identification of Resources and Capabilities.....	100
1. Main Activities.....	100
a. Enter Logistics Activity.....	100
b. Operational Activities.....	102
c. Exodus Logistics Activity.....	103
d. Marketing and Sales Activities.....	103
e. Service Activities.....	104
2. Supporting Activities	104
a. Procurement Activities.....	105
b. Technology Development Activities.....	105
c. Human Resource Management Activities	106
d. Infrastructure activities of the Company	106
C. Observation and Identification of Strengths and Weaknesses.....	107
1. Strengths and Weaknesses in the Main Activity.....	108
a. Strengths and Weaknesses at Logistics Activity Input.....	108
b. Strengths and Weaknesses in Operating Activities.....	108
c. Strengths and Weaknesses at Logistics Activity Exodus.....	109
d. Strengths and Weaknesses of Marketing and Sales Activities	109
e. Strengths and Weaknesses in Service Activities.....	111
2. Strengths and Weaknesses in Supporting Activities.....	112
a. Strengths and Weaknesses in Procurement Activities	112

b. Strengths and Weaknesses in Technology Development Activities	117
c. Strengths and Weaknesses in Human Resource Management Activities.....	117
d. Strength and Weakness in Infrastructure Activity Company	118
3. Conclusions Strengths and Weaknesses in the Main and Supporting Activities.....	119
D. Classification of Strengths and Weaknesses.....	119
E. Assessment of Strengths and Weaknesses.....	124
1. Four Questions and Alternatives Assessment Score.....	124
2. Results Assessment of Strengths and Weaknesses.....	125
F. Source Evaluation of Sustainable Competitive Advantage.....	128
1. Source Evaluation of Sustainable Competitive Advantage.....	128
2. Strategic Implications of Sustainable Competitive Advantage.....	133
G. Core Competency Assessment.....	135
1. Core Competency Assessment.....	135
2. Strategic Implications of Core Competencies.....	135
 CHAPTER V CONCLUSION AND RECOMMENDATION	
A. Conclusion.....	138
B. Recommendation.....	143
