ABSTRACT

With the existence of area autonomy, role of Local Parlemen in running observation function to Local Government will be otonomous progressively powered and. But, as place gather it all political party proxy, Local Parlemen in fighting for public importance sometimes still coloured many by importance of political party, so that make Local Parlemen performance less optimal.

Go together the existence of public importance and importance of politics party embosoming Local Parlemen member, hence this research focussed at management of dilemma between public importance and importance of political party.

Research location is Local Parlemen of Maluku Province. Technique to collect data used is interview, documentation and observation. Technique analyse data use descriptive-qualitative.

Pursuant to finding in field can be concluded that: (1) Appliance equipment of Local Parlemen of Maluku Province in general have worked as according to fundamental duty and its function. But, commission representing Parlemen Local backbone in executing its duty still seen less optimal; (2) Conducted by mechanism observation function execution is Parlemen Local of Maluku Province less as according to agenda, caused by some agenda which sometime impinge. Execution observation procedure more administrative having the character of, and not yet owned standard guidance for the execution of observation in general. This matter cause activity observation more sporadic having the character of, reaktif and do not better planning; (3) Ability of Parlemen Local of Maluku Province member in articulating public importance in general can be told is good enough. But, sometime less sensitive, because often await the the problem reported on intensively by mass media or insisted on by public through demonstration; (4) Ability of Parlemen Local of Maluku Province member in articulating importance of political party have is good enough. But, importance of political party is often made by private interest; (5) public Issue emerge by Council can be weared as maneuver - political maneuver to knock down political opponent, obtaining support from society to the political party, conducting political compromise and negotiation and maneuver elite political party. To Political party placing its cadre in Bureaucrat will be given on to dilemma; between fighting for public importance or exactly protect its cadre; (6) Member Local Parlemen of Maluku Province sometime reduce importance - public importance become importance of political party, so that politically importance of public and political party fought for in one package, natty prepacked realized through its politics statemen.
