ABSTRACT

This study uses a qualitative approach with life history research methods and participatory observation. It explores the experiences which were felt by informants before. So that researchers try to explain preacher Tuasikal's three periods specifically initial period, adaptation period and da'wah expansion so that da'wah is successfully disseminated to the public. Success of Abduh Tuasikal's mission in spreading Salafy was because of his perseverance in preaching Islam. The opportunity to develop Salafy in Gunung Kidul made him build infrastructure which made the area become the center of Islamic Religious education. The strong social networks that Abduh Tuasikal has helped spread Salafy make this movement have the resources to expand its mission in a wide range. The success was caused by four factors. First, his perseverance in preaching Islam. Second, there is an opportunity to develop Salafy in Gunung Kidul. Third, the social network in helping spread the Salafy understanding. Fourth, Abduh Tuasikal has economic resources to open jobs and open business opportunities to expand its society.
