Table of contents	vii
List of Figures	ix
List of Tables	x
Abstract	xi
Abstrak	xii
Introduction	
Background	1
Purpose of research	2
Benefit of research	2
Literature review	
Integumentary system.....	3
Dermatitis	4
Epidemiology	6
Pathogenesis	7
Clinical signs	7
<i>Staphylococcus</i> sp.	9
Mannitol Salt Agar	10
Blood Agar Plate	11
Gram stain	12
Coagulase Test	14
Antibiotic Sulfamethoxazole	16
Research Material and Method	

Material	18
Method	19
Preparation of media (Mannitol Salt Agar)	19
Preparation of media (Blood Agar Plate)	19
Preparation of media (Brain Heart Infusion Broth)	20
Preparation of media (Mueller-Hilton Agar)	20
Isolation and Identification of <i>Staphylococcus</i> sp.	20
Antibiotic Sensitivity Test	23
Result and Discussion	
Results	24
Discussion	26
Conclusion and Suggestion	
Conclusion	31
Suggestion	31
