[baewannie]. (9 Agustus 2018). it takes even less mental energy to block/delete trolls/haters than it does to engage with them. studies have proven that a much better use of mental energy is streaming power up by red velvet [Tweet]. Ari~MapOfTheSoul. [0ari0persona0]. (15 Juli 2018). Apparently #BTS/#ARMY antis plan a "Break BTS" project again for the upcoming comeback. Antis will disguise themself as ARMY to create hate in & against our fandom. Let's all ignore & block the hell out of them when it happens. Just keep supporting @bts_twt 💜 [Tweet].
