

ABSTRACT

Penelitian ini mengkaji peran Ikatan Mahasiswa Muhammadiyah (IMM) dalam membangun karakter mahasiswa dan implikasinya terhadap ketahanan pribadi (Studi pada Pimpinan Cabang IMM Djazman Al Kindi Kota Yogyakarta, Daerah Istimewa Yogyakarta). Adapun tujuan dari penelitian ini yaitu untuk menganalisis peran IMM dalam membangun karakter mahasiswa dan implikasinya terhadap ketahanan pribadi.

Penelitian dilakukan di Kota Yogyakarta. Penelitian ini menggunakan metode deskriptif kualitatif. Teknik pengumpulan data dilakukan melalui lima tahapan yaitu 1) wawancara dengan sembilan informan yang meliputi 1 Ketua Pimpinan Cabang Djaman Al Kindi, 1 ketua bidang, 1 pimpinan komisariat, 1 alumni Pimpinan Cabang Djazman Al Kindi, 5 Anggota IMM, 2) dokumentasi 3) studi pustaka 4) internet. Teknik analisis data dalam penelitian ini melalui tahap reduksi data, penyajian data dan penarikan kesimpulan.

Hasil penelitian menunjukkan adanya peran IMM dalam membangun karakter religius, tanggung jawab, disiplin, mandiri, percaya diri dan kepemimpinan mahasiswa melalui kegiatan pendidikan kader ikatan oleh IMM Djazman Al Kindi pada tingkat pimpinan cabang dan pimpinan komisariat di setiap universitas dan fakultas. Kegiatan pendidikan kader ikatan yang dilakukan yaitu Masta (Masa Ta'aruf), Pelatihan Dasar Darul Arqam, Pelatihan Instruktur Dasar, dan Pelatihan Darul Arqam Madya berjalan efektif meskipun masih ada kendala teknis. Setelah mengikuti pendidikan kader dari Pimpinan Cabang Djazman Al Kindi terlihat bahwa terlihat ada ketahanan pribadi pada anggota. Implikasi dari pendidikan kader tersebut terbangun kepribadian mahasiswa ulet dan tangguh yaitu kepercayaan diri, berpegang pada prinsip, kebersamaan, memiliki rasa tanggung jawab dan memiliki jiwa kreatif.

ABSTRACT

This research examines the role of Muhammadiyah Students Association (IMM) in building the characterization of students and its implication for personal endurance (Study on IMM Branch Chairman Djazman Al Kindi Yogyakarta, Yogyakarta). The purpose of this research is to analyze the role of IMM Djazman Al Kindi in building the characterization of students and its implication on their personaliti.

The research was conducted in Yogyakarta. This study uses qualitative descriptive method. The technique of collecting data was conducted on five stages, namely: 1) interviews with nine informants covering a Chairman of the Branch Djaman Al Kindi, a leader of the field, a leader of the commissariat, an alumnus of Djazman Al Kindi, five members of IMM, 2) documentation 3) references 4) internet. The technique od analysis data are data reduction, data presentation and making conclusion.

The results showed that the role of IMM in building student character is religious, responsibility, discipline, independent, confident and leadership through educational activities of cadre bonding by IMM Djazman Al Kindi at the level of branch leaders and commissariat leaders in each university and faculty. The educational cadre are Masta (Ta'aruf), Darul Arqam Basic Training, Basic Instructor Training, and Darul Arqam Madya Training are the activities were are still a few technical obstacles. After attending the cadre education from the Branch Manager Djazman Al Kindi, it could be seen that there was a personal endurance in the members. The implications of the cadre's education are the that the student will have a good confidence, holding on to principles, togetherness, having a sense of responsibility and having a creative spirit.
