## LIST OF FIGURE

Figure 1.	Gross macroscopy of the tongue of the sugar glider.....	22
Figure 2.	Systematic illustration of the sugar glider tongue with the papillae distribution .....	24
Figure 3.	Scanning Electron Microscope (SEM) images of sugar glider tongue's apex region.....	26
Figure 4.	Scanning Electron Microscope (SEM) image of sugar glider tongue's <i>corpus</i> anterior region.....	28
Figure 5.	Scanning Electron Microscope (SEM) image of sugar glider tongue's <i>corpus</i> posterior region.....	29
Figure 6.	Scanning Electron Microscope (SEM) of sugar glider's tongue <i>radix</i> region.....	31
Figure 7.	Photomicrograph of the sugar glider's tongue <i>apex</i> region, hematoxylin and eosin staining.....	33
Figure 8	Photomicrograph of the sugar glider's tongue <i>anterior corpus</i> region, hematoxylin and eosin staining.....	35
Figure 9	Photomicrograph of the sugar glider's tongue posterior <i>corpus</i> region, periodic acid schiff staining.....	36
Figure 10	Photomicrograph of the sugar glider's tongue <i>radix</i> region, hematoxylin and eosin staining.....	37
Figure 11	Photomicrograph of the sugar glider's tongue <i>radix</i> region, periodic acid Schiff staining.....	38

## LIST OF ATTACHMENT

Attachment 1. Ethical clearance of the research .....	49
Attachment 2. Picture of Sugar glider used (sample).....	50
Attachment 3. Toxonomy of sugar glider .....	51
