**STATEMENTS OF WORK'S ORIGINALITY**

Here I state that the thesis titled:

**THE EFFECT OF WORKPLACE GENDER HARASSMENT  
ON FRUSTRATION AND JOB SATISFACTION**

Which was defended and examined on April 20, 2020 is my original work.

I honestly declare that the thesis I wrote does not contain the works or part of works of other people by copying in the form of sentences or symbols which show other writers' idea or opinion or thought, except cited in the quotations and bibliography, as a scientific paper should.

I will willingly withdraw this thesis as my original work if in the future I was founded out doing plagiarism either or not in coincidence. Here I also state that I will accept the consequences of losing the degree I had from Universitas Gadjah Mada.
