

Table of Contents

Abstract	ii
Acknowledgement.....	iii
Chapter I : Introduction	1
1.1. Problem Description	1
1.2. Research Questions	3
1.3. Research Methodology	4
1.4. Research Objective and Study Contributors	6
1.5. Thesis Structure.....	6
Chapter 2 : Theoretical Framework	7
2.1. Introduction	7
2.2. Definitions	8
2.2.1. Definition of IoT	8
2.2.2. Definition of Customer Satisfaction	10
2.3. General Models for Implementation of IoT in Convenience Stores.....	11
2.4. Theoretical Application.....	15
2.4.1. Increasing Efficiency Through Implementation of IoT in terms of Customer Satisfaction.	15
2.4.1.1. Relationships Between IoT and Customer Satisfaction	17
2.4.2. Increasing Efficiency Through The Implementation of IoT In Terms of Profit.....	17
2.4.2.2. Relationship Between IoT and Profit.....	19
2.4.3. Advantages and Disadvantages of Implementing IoT in a Convenience Store.....	19
Chapter 3 : Interview	21
3.1. Interview Overview	21
3.2. Interview Result.....	21
Chapter 4 : Conclusion.....	24
4.1. Conclusion.....	24
Chapter 5 : Policy and Limitation.....	26
5.1. Policy	26
5.2. Limitation.....	28
Chapter 6 : Reference List	29
