STATEMENTS OF WORK ORIGINALITY

Here I state that the thesis titled:

**VILLAGE DEVELOPMENT AND LEADERSHIP :
THE CASE IN CENTRAL JAVA PROVINCE, INDONESIA**

Which was defended and examined on August 07, 2020 is my original work.

I honestly declare that the thesis I wrote does not contain the works or part of works of other people by copying in the form of sentences or symbols which shows other writers' idea or opinion or though, except cited in the quotations and bibliography, as a scientific paper should.

I will willingly withdraw this thesis as my original work if in the future I was founded out doing plagiarism either or not in coincidence. Here I also state that I will accept the consequences of losing the degree I had from Universitas Gadjah Mada.
