MEDICAL AND HEALTH RESEARCH ETHICS COMMITTEE (MHREC)
FACULTY OF MEDICINE, PUBLIC HEALTH AND NURSING
UNIVERSITAS GADJAH MADA – DR. SARDJITO GENERAL HOSPITAL

ETHICS COMMITTEE APPROVAL

Ref. No. : KE/FK/1340/EC/2020

Title of the Research Protocol : Gambaran Profil Elektrolit pada Pasien dengan Myasthenia Gravis

Document(s) Approved and version : Study Protocol version 01 2020

Principle Investigator : Daniel

Participating Investigator(s) : 1. dr. Indra Sari Kusuma Harahap, Ph.D., Sp.S.
2. dr. Whisnu Nalendra Tama, Sp.S.

Date of Approval : **11 4 DEC 2020**
(Valid for one year beginning from the date of approval)

Institution(s)/place(s) of research : Perpustakaan Universitas Gadjah Mada

The Medical and Health Research Ethics Committee (MHREC) states that the document above meets the ethical principle outlined in the International and National Guidelines on ethical standards and procedures for researches with human beings.

The Medical and Health Research Ethics Committee (MHREC) has the right to monitor the research activities at any time.

The investigator(s) is/are obliged to submit:

- ☒ Progress report as a continuing review (state its due time)
- ☒ Report of any serious adverse events (SAE)
- ☒ Final report upon the completion of the study

Prof. dr. Madarina Julia, Sp.A(K), MPH., Ph.D.
Panel's chairperson

dr. Ahmad Hamim Sadewa, Ph.D.
Panel's secretary

P.S: This letter uses signature scan of the panel's chairperson and Secretary of the Ethics Committee. The hardcopy official letter with authority's signature will be issued when it is possible and are kept as an archive of the Ethics Committee

Validation number :
5fd9a64f94059
