

## Table of Content

Title.....	i
Ratification.....	ii
Authenticity Statement.....	iii
Acknowledgement.....	iv
Table of Content.....	vi
List of Table.....	viii
List of Figures.....	ix
Abstract.....	x
Chapter I.....	1
Introduction.....	1
A. Background.....	1
B. Problem Formulation.....	3
C. Research Question.....	3
D. Research Aim.....	4
a. General objective.....	4
b. Specific objective.....	4
E. Benefit on the Study.....	4
a. Clinicians/Doctors.....	4
b. Family/Community/Patient.....	4
F. Study Authenticity.....	5
Chapter II.....	6
Bibliographical Review.....	6
A. Literature Review.....	6
1. Stroke.....	6
2. Hypertension.....	9
3. Cognitive Impairment.....	12
4. Mini-Mental State Examination (MMSE).....	13
B. Theoretical Framework.....	15
C. Conceptual Framework.....	16
Chapter III.....	17
Research Methodology.....	17

A. Research Design .....	17
B. Time and Location of Research .....	17
C. Subject and Population .....	17
D. Variable Study .....	17
a. Inclusion .....	17
b. Exclusion .....	18
E. Sample Size Calculation .....	18
F. Variables and Operational Variable Definition .....	18
G. Research Procedures .....	19
Chapter IV.....	20
Result and Discussion.....	20
A. Research Result .....	20
1. Subject Description .....	20
1.1. Age .....	20
1.2. Gender .....	21
1.3. Hypertension Type .....	22
1.4. Educational Level .....	23
1.5. Cognitive Impairment (Mini Mental State Examination) ..	24
2. Data Analysis .....	25
2.1. Homogeneity Test between Confounding Factors and Independent Variable .....	26
2.2. Correlation between Independent Variable and Dependent Variable .....	28
2.3. Correlation between Dependent Variable and Confounding Factor .....	29
B. Discussion .....	32
C. Limitation .....	35
Chapter V.....	36
Conclusion: .....	36
Recommendation: .....	36
Chapter VI.....	38
References.....	38
