STATEMENTS OF WORK'S ORIGINALITY

Here I state that the thesis titled:

**THE INFLUENCE OF TRANSFORMATIONAL LEADERSHIP
ON TASK PERFORMANCE AND HELPING BEHAVIOR WITH
EMPLOYEE POSITIVE MOOD AS MEDIATING VARIABLE**

Which was defended and examined on February 16, 2017 is my original work.

I honestly declare that the thesis I wrote does not contain the works or part of works of other people by copying in the form of sentences or symbols which show other writers' idea or opinion or thought, except cited in the quotations and bibliography, as a scientific paper should.

I will willingly withdraw this thesis as my original work if in the future I was founded out doing plagiarism either or not in coincidence. Here I also state that I will accept the consequences of losing the degree I had from Universitas Gadjah Mada.
