ACKNOWLEDGEMENTS

First and foremost of everything, I would like to thank Allah SWT. By all blessing, hopes, and strengths that He gave me, I finally managed to finish my graduating paper in time.

Second, my biggest gratitude dedicated to both of my beloved and precious parent and family. Without their fullest support and endless love, this paper would never be completed. Then next gratitude goes to Muh. Arif Rokhman M.Hum., Ph.D. and Rahmawan Jatmiko S.S., M.A. as my research supervisor and my academic consultant, for their guidance and support during my study in Universitas Gadjah Mada (UGM).

Third, I would thank my friend and acquaintance in English Literature especially “Geng Panda” for all the help they give to me. I thank also to any other friend in other majors or other faculty in UGM like PRASASTI family. They all are the reason I enjoyed and survived my campus life.

Last, my special thanks goes to all people who help me through this process and I will always remember all unforgettable memories made in any part of this campus from those days I spent. And final thanks to the entire lecturers and staffs both in the English Departments and FIB of UGM for all assistance and help in years of my study.
