#### **INTISARI**

Praktik kerja lapangan merupakan kegiatan wajib yang diikuti untuk memenuhi persyaratan yang telah ditetapkan oleh program diploma hukum sekolah vokasi UGM. Selain ingin mengetahui lebih jauh tentang PT, letak PT Central Jawa Wood Industry berada tidak jauh dari tempat tinggal penulis. Kegiatan ini bertujuan memberikan pengalaman nyata didalam dunia kerja . Serta memadukan antara teori yang penulis dapat di bangku kuliah, dan menerapkan didalam praktik kerja lapangan secara langsung. Khususnya di Notaris dan PPAT. Mengetahui lebih mendalam khususnya tentang PT CENTRAL JAWA WOOD INDUSTRY meliputi pengertian PT, syarat pendirian PT, serta organ perseroan terbatas yang penulis bahas dan lampirkan dalam makalah ini .

#### *ABSTRACT*

The background of practice work at field must be done by every student university. It is doing to full fill a settlement that have been requested by bachelor of art of law, Gadjah Mada University. It means to get a direct and real experience at PPAT and notary. I especially did it at PPAT and Notary Esti Windaryani SH.Mkn. It is located at one regency with me, there is at Temanggung regency. The private limited industry is at the same location too.

Practice work at field is an obliged lesson at sixth semester. The purpose of it is to look for an experience at work field. Another purpose is to know more and directly about PPAT and Notary. The meaning for me is to make me able to do interaction and adaption with PPAT and Notary. The other meaning is to get experience all about little above

The resume about Central Jawa Wood Industry is got by my directly visiting and directly talking. By that, I can get all information about the mean of private limited, about many settlement of built up a private limited, and about organization of private limited, and about organization of private limited. About them all, I have add all to enclosed them.
