

Table of Contents

Cover Page.....	I
Ratification page.....	II
Authenticity Statement.....	III
Acknowledgement.....	IV-V
Table of Contents.....	VI
List of Tables.....	IX
List of Figures.....	X
Abbreviation.....	XI
Abtract/Intisari.....	XII
Chapter I.....	1
Introduction.....	1
1. Background.....	1-2
2. Formulation of problem.....	2-3
3. Research authenticity.....	3-5
4. Benefit of research.....	5
5. Aim of research.....	5-6
Chapter II.....	7
Literature Review.....	7
1. Anatomy of thyroid gland.....	7
2. Synthesis of thyroid hormone.....	8-9
3. Definition of hyperthyroidism.....	9-10
4. Pathogenesis of hyperthyroidism.....	10
5. Clinical Manifestation of hyperthroidism	10-12

6. Diagnostical tools and methods for hyperthyroidism.....	12-14
7. Treatment of hyperthyroidism.....	14-17
8. Pharmacology of propylthiouracil.....	17-18
9. Theoretical framework.....	19
10. Conceptual framework.....	20
11. Hypothesis.....	20
Chapter III.....	21
Research methodology.....	21
1. Research design.....	21
2. Time and study setting.....	21
3. Subjects of study.....	22
4. Sample size.....	22
5. Study material and tools.....	22-23
6. Study course.....	23
7. Study Variables.....	23-24
8. Operational Definitions of Study Variables	24
9. Data analysis method.....	24-27
10. Ethical consideration.....	27
11. Study schedule and cost.....	27-28
Chapter IV.....	28
Discussion.....	28
1. Data collection.....	29-30
2. Gross data description.....	30-35
3. Analysis of different PTU dose on each four distinct thyroid tondition.....	35-37

4. Analysis of mean different of FT4 between Day 0 and day 30th on each four distinct thyroid condition.....	37-38
5. Analysis of mean different of FT4 between Day 0 and day 30th on different dose of PTU in all patients.....	39
6. Analysis of mean different of FT4 between Day 0 and day 30th on different dose of PTU in the hyperthyroidism patient.....	40-42
7. Analysis of mean different of FT4 between Day 0 and day 30th on different dose of PTU in the euthyroid state patient diagnosed with hyperthyroidism.....	42-43
8. Analysis of mean different of TSH between Day 0 and day 30th on different dose of PTU in the subclinical hyperthyroid patients..	43-45
9. Discussion.....	45-55
Chapter V.....	56
Conclusion and suggestion.....	56
1. Conclusion.....	56-57
2. Suggestion.....	57-58
Chapter VI.....	59
References.....	59-63
Appendices.....	64
