LIST OF FIGURES	x
INTISARI.....	xi
ABSTRACT	xii
INTRODUCTION	1
Research Background.....	1
Objectives.....	2
LITERATURE REVIEW.....	3
Black Rice	3
Component of Black Rice	4
Nutritional Value and Benefit of Black Rice	5
Anthocyanin Profile of Black Rice.....	
Nutritional Value between Black Rice and White Rice	5
Effect of Black Rice on Immune System	6
Effect of Black Rice on Gastrointestinal	7
Digestive Tract of Chicken	8
Dietary Fiber Requirement on Chickens.....	11
Salmonellosis	12
Cellular Response Mechanism.....	12
HYPOTHESIS	14

MATERIALS AND METHODS	15
Materials	15
Materials	15
Tools and apparatus	15
Methods	15
Grouping the experimental broiler chickens	15
Measuring the number of suspected <i>Salmonella</i> colonies.....	16
Measuring the Severity of defected Organs due to Infection	16
Sample analysis	18
RESULTS AND DISCUSSION	19
Bacterial culture examinations	19
Measuring the severity of defected organs due to infection	23
CONCLUSION AND SUGGESTION	28
Conclusion.....	28
Suggestion	28
