

Table of Content

Chapter 1 : Introduction

1.1 Background.....	1
1.2 Problem Analysis.....	9
1.3 Objectives.....	12
1.4 Research Purpose.....	12

Chapter 2 : Literature Review and Theories

2.1 Literature Review	
2.1.1 Sugar.....	13
2.1.2 Fiji Sugar Industry.....	14
2.1.3 Indonesia Sugar Industry.....	17
2.2 Theoretical Basis	
2.2.1 Demand Theory.....	20
2.2.2 Supply Theory.....	25
2.2.3 International Trade.....	28
2.3 Acceleration Ratio.....	39
2.4 Tariff.....	41
2.5 AFTA.....	46
2.6 Previous Research.....	47
2.7 Conceptual Framework.....	50
2.8 Hypothesis.....	52

Chapter 3 : Research Method

3.1 Basic Method.....	53
3.2 Data Collection.....	53
3.3 Types of Data.....	53
3.4 Definitions and Measurements of Variables.....	54
3.5 Assumptions and Limitations.....	55
3.6 Analytical Method.....	56
3.7 Hypothesis Testing.....	63

Chapter 4 : General Condition of Fiji and Indonesia Sugar Industry

4.1 Geographical Description.....	68
4.1.1 Fiji.....	68
4.1.2 Indonesia.....	69
4.2 Background of Sugar Industry.....	71
4.2.1 Fiji Sugar Corporation.....	71
4.2.2 Indonesia Sugar Industry.....	74

Chapter 5 : Results and Discussion

5.1 Export and Import Trends of Sugar.....	77
5.2 Trade Specialization Ratio.....	87
5.3 Acceleration Ratio.....	88
5.4 Classical Assumption Test.....	89
5.5 Factors that Influence the Export and Import of Refined Sugar.....	91

Chapter 6: Conclusion

Conclusion and Recommendation.....	101
References	104
Appendix.....	108

LIST OF TABLES

Table 1	Durbin Watson Table.....	69
Table 2	Fiji Sugar Production from 1981- 2011.....	75
Table 3	Indonesia Sugar Production from 1981-2011.....	78
Table 4	Acceleration Ratio.....	90
Table 5	Multicollinearity Results.....	91
Table 6	Heteroscedasticity Test Results.....	92
Table 7	Autocorrelation Test.....	92
Table 8	Short- Run Model and Autocorrelation Test.....	93
Table 9	Cointegration Test.....	94
Table 10	Fiji Sugar Export- Long Run Model.....	94
Table 11	Fiji Sugar Import - Short Run Model.....	95
Table 12	Cointegration Test.....	96
Table 13	Fiji Sugar Import- Long Run Model.....	96
Table 14	Indonesia Sugar Export- Short Run Model.....	97
Table 15	Cointegration Test.....	98
Table 16	Indonesia's Sugar Export- Long Run Model.....	98
Table 17	Indonesia's Sugar Import- Short Run Model.....	99
Table 18	Cointegration Test.....	100
Table 19	Indonesia's Sugar Import- Long Run Model.....	100

LIST OF GRAPH

Graph 5.1	Fiji Export and Import of Refined Sugar.....	80
Graph 5.2	Fiji Export and Import of Raw Sugar.....	80
Graph 5.3	Indonesia Import and Export of Refined Sugar.....	84
Graph 5.4	Indonesia Import and Export of Raw Sugar.....	85
Graph 5.5	Net Export of Refined Sugar.....	87
Graph 5.6	Net Export of Raw Sugar.....	87
Graph 5.7	Trade Specialisation Ratio of Refined Sugar.....	89
Graph 5.8	Trade Specialisation Ratio of Raw Sugar.....	89

LIST OF FIGURES

Figure 1.1	Global sugar consumption vs production.....	3
Figure 1.2	Major producers of sugar.....	4
Figure 1.3	Major exporters and importers of sugar.....	5
Figure 1.4	Fiji in the world map.....	6
Figure 1.5	Indonesia on a map.....	8
Figure 2.1	Demand curve.....	21
Figure 2.2	Changes in Demand.....	22
Figure 2.3	Income and Substitution Effect.....	24
Figure 2.4	Supply Curve.....	26
Figure 2.5	Changes in Supply.....	28
Figure 2.6	Changes in Quantity Supply.....	28
Figure 2.7	Concept of International Trade Equilibrium.....	29
Figure 2.8	A framework for comparative advantage.....	35
Figure 2.9	Determinants of National Competitive Advantage.....	37
Figure 3.0	Linking comparative and competitive advantage.....	39
Figure 3.1	Effect of tariff.....	44
Figure 3.2	Effect of tariff in a small country.....	45
