| <b>ABSTRACT</b>    |                                                                    | vii  |
| <b>INTISARI</b>    |                                                                    | viii |
| <b>CHAPTER I</b>   | <b>INTRODUCTION</b>                                                | 1    |
|                    | I.1 Background                                                     | 1    |
|                    | I.2 Research Aims                                                  | 4    |
|                    | I.3 Research Benefit                                               | 4    |
| <b>CHAPTER II</b>  | <b>LITERATURE REVIEW AND HYPOTHESES FORMULATION</b>                | 5    |
|                    | II.1 Literature Review                                             | 5    |
|                    | II.1.1 Coconut oil                                                 | 5    |
|                    | II.1.2 Virgin Coconut Oil (VCO)                                    | 7    |
|                    | II.1.3 Antibacterial activity                                      | 9    |
|                    | II.1.4 Dental health                                               | 10   |
|                    | II.1.5 Antibacterial examination                                   | 14   |
|                    | II.1.6 Toothpaste                                                  | 15   |
|                    | II.2 Hypotheses Formulation and Research Design                    | 17   |
|                    | II.2.1 Formulation of hypotheses 1                                 | 17   |
|                    | II.2.2 Formulation of hypotheses 2                                 | 18   |
|                    | II.2.3 Research design                                             | 18   |
| <b>CHAPTER III</b> | <b>EXPERIMENTAL METHOD</b>                                         | 19   |
|                    | III.1 Materials                                                    | 19   |
|                    | III.2 Equipment                                                    | 19   |
|                    | III.3 Procedure                                                    | 19   |
| <b>CHAPTER IV</b>  | <b>RESULT AND DISCUSSION</b>                                       | 23   |
|                    | IV.1 Result of VCO based Soap Preparation                          | 23   |
|                    | IV.2 Analysis of Physical and Chemical of VCO based Toothpaste     | 25   |
|                    | IV.3 Analysis of Antibacterial Examination of VCO based Toothpaste | 29   |
| <b>CHAPTER V</b>   | <b>CONCLUSION</b>                                                  | 33   |
