LIST OF ABBREVIATIONS	v
ABSTRACT	vi
CHAPTER I INTRODUCTION	
A. Background	10
B. Relevance	15
C. Problem Statement	15
D. Research Objective	16
E. Research Impact	17
F. Originality	17
CHAPTER II LITERATURE REVIEW	
A. Literature Review	19
B. Theoretical Framework	28
C. Conceptual Framework	28
D. Research Questions	31
CHAPTER III RESEARCH METHODOLOGY	
A. Research Type and Design	32
B. Research Setting and Time	32
C. Description of the Intervention	33
D. Research Subjects	33
E. Sampling Techniques	37

F.	Identification of Research Variables	41
G.	Operational Definitions of variables	42
H.	Data Collection and Research Instruments	45
I.	Data Analysis Plan	47
J.	Research Ethics	50
CHAPTER IV	RESEARCH FINDINGS AND DISCUSSION	53
CHAPTER V	CONCLUSION AND RECOMMENDATIONS	
A.	Conclusion	97
B.	Recommendations	98
BIBLIOGRAPHY		101

LIST OF EXHIBITS, FIGURES, TABLES, AND PHOTOS

	Page
Table 1	23
Roles of CHWs in TB/HIV Care in Sub-Saharan Africa Countries	
Table 2	38
Selection Criteria for Qualitative Respondents	
Table 3	41
Study Variables per Outcome per Type of Research Method	
Table 4	42
Operational Definition of Variables	
Table 5	54
Human Resources for Health, SJDM	
Table 6	55
Testing and HIV Prevalence rate in SJDM	
Table 7	57
Data Collection Sites	
Table 8	58
Demographic Characteristics of TB Patient Respondents	
Table 9	59
TB-related patient information	
Table 10	60
TB Patients' Health beliefs about TB/HIV	
Table 11	60
Patients' preferences of HCT provider	
Table 12	61
TB patients' responses to Appropriateness items	
Table 13	63
Acceptance score differences based on distance of residence	
Table 14	62
Acceptance score differences by explanation of TB/HIV relationship	
Table 15	63
Predictors of Accepting HIV Counseling from BHWs	
Table 16	63
Predictors of Accepting HIV Testing from BHWs	
Table 17	64
Patients' TB/HIV Knowledge and Attitudes as Predictors of Accepting HIV Counseling from BHWs	
Table 18	65
Criteria for Select BHWs who will do HIV Counseling	
Table 19	67
Stakeholders' concerns in delegating HCT to BHWs	
Table 20	68
Stakeholders' Perception of BHWs' contribution to HCT provision	
Table 21	69
Financial Requirements if HCT would be delegated to BHWs	
Table 22	70
Infrastructure and Operational Requirements if HCT would be delegated to BHWs	
Table 23	70
Technical and Training requirements if HCT would be delegated to BHWs	
Table 24	71
Number of BHW respondents from each health center	
Table 25	72
Demographic Characteristics of BHW respondents	

Table 26	BHW responsibilities and average time spent for each	73
Table 27	BHW Knowledge about TB/HIV	73
Table 28	BHW Attitudes/Perceptions about TB/HIV	74
Table 29	Rotated Component Matrix of Appropriateness Questions	74
Table 30	BHWs' responses to Appropriateness of Accepting HCT	75
Table 31	Summary of BHW respondents' Appropriateness Scores	76
Table 32	BHWs' TB/HIV Attitudes as Predictors of HCT Acceptance	76
Table 33	BHW Knowledge of Counseling Principles	78
Table 34	Counseling Knowledge as predictors of HCT acceptance	78
Table 35	List of Facilities Assessed in the Study	79
Table 36	Availability of TB/HIV Services and HRH compliment	79
Table 37	Infrastructure Availability in Health Centers	80
Table 38	Supply Chain System of the Health Facilities	81
Table 39	Training received by HRH based on Facility Assessment	81
Table 40	Training received by HRH based on City Health Office Database	82
Table 41	Comparison of Identified Needs and Existing Contexts in SJDM	82
Table 42	Summary table of acceptance across various stakeholders	85
Figure 1	Distribution of Health Workforce in the Philippines by Region (2014)	12
Figure 2	Theoretical Framework	29
Figure 3	Conceptual Framework	30

Graphic 2	Location of San Jose del Monte City	32

LIST OF ABBREVIATIONS

AIDS	Acquired Immune Deficiency Syndrome
ARV	Antiretroviral Drugs
BHS	Barangay Health Stations
BHW	Barangay Health Workers
CBO	Community based organizations
CFIR	Consolidated Framework for Implementation Research
CHW	Community Health Workers
CHO	City Health Office
CHC	City Health Center
CSO	Civil Society Organizations
DOH	Department of Health
DOTS	Directly-Observed Treatment, Short-Course
FSW	Female Sex Workers
HCT	HIV Counseling and Testing
HIV	Human Immunodeficiency Virus
HI-5	High Impact Five Program
HRH	Human Resources for Health
IHBSS	Integrated HIV Behavioral and Serological Surveillance Survey
IDU	Injecting Drug Users
KAP	Knowledge, Attitudes, Perceptions
KII	Key Informant Interviews
LCE	Local Chief Executives
LGU	Local Government Units
LMIC	Low and Middle-Income Countries
MDR-TB	Multi-Drug Resistant Tuberculosis
MSM	Males having sex with Males
NASPCP	National AIDS/STI Prevention and Control Program
NGO	Non-government Organizations
NTP	National Tuberculosis Control Program

PAHI	Priority Areas for HIV Intervention
PITC	Physician-Initiated Testing and Counseling
PLHIV	People Living with HIV
PMTCT	Prevention of mother-to-child transmission
PNAC	Philippine National AIDS Council
PPE	Personal Protective Equipment
PTB	Pulmonary Tuberculosis
RO	Regional Offices
RHU	Rural Health Units
SJDM	San Jose del Monte
SHC	Social Hygiene Clinic
TB/HIV	Tuberculosis/Human Immunodeficiency Virus
USAID	U.S. Agency for International Development
VCT	Voluntary Counseling and Testing
WHO	World Health Organization
WHO-SARA	World Health Organization – Service Availability and Readiness Assessment Questionnaire
XDR-TB	Extensively drug-resistant Tuberculosis
