ABSTRACT

This study discusses the significance of drinking in Ernest Hemingway's novel entitled *The Sun Also Rises*. Drinking scenes in the novel play an important role to the narration because it is where the characters mostly gather and interact with each other. The aim of this study is to investigate the significance of drinking in *The Sun Also Rises*. It is believed that drinking in *The Sun Also Rises* conveys several different functions to the narrative.

This study applies structuralistic formalism approach and library research method. The primary resource used in this study is Ernest Hemingway's novel entitled *The Sun Also Rises*. The secondary resources which served as references are collected from library and websites.

This study discovers four functions of drinking in *The Sun Also Rises* which are as social drinking, as an escape, as a representation of a character's personality, and as a stage of conflicts dramatization. Drinking in *The Sun Also Rises* has a significant role in portraying the characters' personalities as well as the relationships amongst them. Drinking also becomes an important setting where many important dialogues and events occur.

Keyword: drinking, functions, conflicts, structuralism
