

TABLE OF CONTENTS

STATEMENT	iv
ACKNOWLEDGEMENTS	v
ABSTRACT	vi
INTISARI	vii
TABLE OF CONTENTS	viii
LIST OF TABLE	x
LIST OF FIGURE	xi
INTRODUCTION	1
1.1 Background	1
1.2 Problem of Statement	3
1.3 Research Question	5
1.4 Research Objective	5
1.5 Research Benefit	5
1.6 Limitations of Research	5
1.7 Research Originality	6
LITERATURE REVIEW	8
2.1 Disaster	8
2.1.2 The Risk Formula	11
2.2 Earthquake	14
2.2.1 Earthquake Type	14
2.2.2 Earthquake Impact	15
2.3 Emergency Risk Management for Health	15
2.4 Vulnerability Element of Healthcare Facility	18
2.5 Preparedness	19
2.5.1 Public Healthcare Center Earthquake Preparedness	22
2.6 Impact of Disasters on Health Care Facilities	23
2.6.1 Strengthen Disaster Preparedness	24
RESEARCH METHOD	26
3.1 Research Approach	26
3.2 Parameters and Indicators	26

3.3 Data Collection	28
3.4 Data Analysis	29
3.4.1 Leveling the PHC Risk	29
3.4.2. Leveling the Preparedness.....	30
DESCRIPTION OF RESEARCH LOCATION	34
4.1 Study Site Overview.....	34
4.2 Physical Condition	35
4.2.1 Topography.....	35
4.2.2 Disaster Prone Areas	36
4.2.3 Earthquake Active Fault Area.....	37
4.2.4 Volcanic Eruption	37
4.2.5 Land Movements	39
4.2.6 Characteristics of Micro Region.....	39
4.3 Climate	40
4.4 Population	41
RESULT AND DISCUSSION	42
5.1 Result.....	42
5.1.1 Levels of Earthquake Proneness.....	42
5.1.1.1 The Result of the Questionnaire	46
5.1.1.2 High-Risk Earthquake-Prone Area.....	46
5.1.1.3 Medium-Risk Earthquake-Prone Area	55
5.1.1.4 Low-Risk Earthquake-Prone Area	58
5.1.2 Result by Parameters.....	61
5.1.3 Result of Overall PHC Preparedness	66
5.2 Discussion.....	67
5.3 Implication to Planning	73
CONCLUSION AND RECOMENDATION	76
6.1. Conclusions.....	76
6.2. Recommendation.....	76
REFERENCE	79
APPENDIX	81

LIST OF TABLE

Table 1.1 Health Facilities in Solok Regency	3
Table 1.2 Research Originality	6
Table 2.1 Classification of Disaster	11
Table 3.1 PHC Preparedness Parameters and Indicators	28
Table 3.2 Earthquake Prone Area Leveling.....	30
Table 3.3 Preparedness Levels of PHCs	30
Table 3.4 Parameters and Indicators Labels	31
Table 4.1 Lakes in Solok Regency	36
Table 4.2 Subdistricts in Solok Regency.....	40
Table 5.1 The Levels of Earthquake Risk in Areas of Solok Regency.....	43
Table 5.2 Results of 16 PHC Questionnaires	47
