

TABLE OF CONTENTS

Preface	i
INTISASI	xii.
ABSTRACT	xiii
CHAPTER ONE	
1.0. INTRODUCTION	1
2.0. <i>Why should Human Settlements be a Major Concern?</i>	1
1.1. Background of the Study	4
1.2. Domain of the Study	9
1.3. Conceptualisation	13
1.4. Grounded Theory and Covering Law Theory developed	14
1.4.1. Domain of the Client-Oriented Model (COM)	20
1.4.2. Care Ethic Philosophy	22
1.5. Problem Formulation	28
1.6. Objectives of the Study	31
 CHAPTER TWO	
2.0. LITERATURE REVIEW	33
2.1. Earlier Approaches	33
2.2. Indonesia's Housing Policy for the Poor	35
(a). <i>Low-Cost Housing</i>	35
(b). <i>Urban Renewal Program</i>	35
(c). <i>The Kampung Improvement Programme (KIP)</i>	36
2.3. Histories of Surakarta and Yogyakarta Cities and their Housing Policies	39
2.4. Perception about Urban Housing for the Poor	42
2.5. Popular Housing Ideology: The views of Turner J. and Associates	44
2.6. Commonly held view on Housing Problematique	46
2.7. Theoretical Concerns	47
2.8. Spatial Qualities of Marginality	49
2.9. Theoretical Framework of the Study	50
2.9.1. Marginality and Housing as Processes	51
2.9.2. Housing Consolidation Process	54
2.9.3. Philosophy of Self-Care Ethic and Self-Help Housing	55

(a). Philosophy of ‘Self’	55
<i>(i). “Self” as the centre of Individuality (self-hood)</i>	56
<i>(ii). Self as a Controller</i>	57
<i>(iii). Self as something private</i>	58
<i>(iv). “Self” as a subject</i>	59
(b). Ethics Care Philosophy	61
(c). Self – Care Ethic Philosophy	63

CHAPTER THREE

3.0. Methods and Techniques	67
3.1. Research Design	69
3.1.1. Techniques of analysi	73
<i>(a). Non-Parametric</i>	73
<i>(b). Residential Segregation analysis</i>	73
<i>(i). Index of Dissimilarity (ID)</i>	73
<i>(ii). Index of Segregation</i>	73
<i>(iii). Location Quotient</i>	74

CHAPTER FOUR

4.0. Fieldwork Findings	76
(a). Demographic Profile	76
(b). Ages of household heads	78
(c). Population Nativity	79
(d). Household Occupations	81
(e). Household Primary Income Levels	82
(f). Supplementary Income Levels	83
(g). Years of Education attained	84
h). Availability of Urban Services	85
(i). Sources of Drinking Water and Sanitary Condition	85
(j). Physical Conditions	88
k). Housing Consolidation	92

CHAPTER FIVE

5.0. DISCUSSION	95
5.1. Marginality and Housing Consolidation as Processes	95
<i>A. Measurement of Marginality</i>	98
(i). Marginality by number of children in a household	98
(ii). Marginality by nature of Occupation	102
(iii). Marginality by levels of education attained	105
(iv). Marginality by the Nature of housing	108
(v). Housing Quality by levels of Education attained	117
(vi). Housing Quality by nature of job occupation	119
(vii). Housing Quality by Population Nativity	121
<i>B. Housing Consolidation</i>	123

CHAPTER SIX

A: Analysis and Comprehensive Discussion	139
6.1. Slum – Squatter Complexity	143
6.2. Provision of Basic Housing Facilities: A Strategy and its Application	145
(a). <i>establishing the characteristics by which the targeted households are to be identified</i>	146
(b). <i>Determining the Spatial Distribution of Housing and Facility Needs (Spatial Distribution of the Target Population)</i>	147
(c). <i>Defining which areal units should receive the housing facilities to be established using rational criteria</i>	153
6.3. Patterns of Residential Segregation among Slum – Squatter Households in Surakarta and Yogyakarta Cities	158
6.3.1. Spatial Separation as per Nature of Land Tenureship	159
6.3.2. Residential Segregation by Nativity	165
6.3.3. Residential Separation by Levels of Education attained	173
6.3.4. Residential Spatial Separation by Nature of Job Opportunities	177
6.3.5. Spatial Separation and Residential Segregation by levels of income	180
B. Research Findings	183
(a). Indonesia’s Political Goal of Welfare State (Kesejahteraan Rakyat)	185
(i). Slum, Quasi-squatter, and squatter settlements are necessary evils	186
(ii). <i>The Self-Care Philosophy and the Client-Oriented Model (COM)</i>	191
(iii). <i>Philosophical Perspective advanced</i>	193

UNIVERSITAS
GADJAH MADA

A Comparative Analysis towards Synthesis of a client oriented model (COM), and its implications for urban housing consolidation process (case study: slums-squatter settlements in Surakarta city)

ARAP MATINGUNY ADRIS, Prof. Dr. Suratman; Prof. Dr. Baiquni

Universitas Gadjah Mada, 2015 | Diunduh dari <http://etd.repository.ugm.ac.id/>

(a). <i>Feeling of Consciousness about freedom</i>	195
(b). <i>Feeling of Individual Responsibility</i>	195
(c). <i>Moral Judgement upon Actions and Human Interactions</i>	195
(d). <i>The Mind to Think</i>	196
C. Summary of the Findings	198
D. Conclusion	200
E. Recommendations	201
References	207

TABLES

1 Percentage City Population Estimates in Informal Settlements in 1990s	34
2.0a: Sangkrah's Demographic Profile of Households	77
2.0b: Sendowo-Blimbingsari's Demographic Profile	77
2.1a: Population distribution per land tenure status in Sangkrah	77
2.1b: Population distribution per land tenure status in Sendowo-Blimbingsari	77
2.2a: Age distribution of household heads in Sangkrah	78
2.2b: Age distribution of household heads in Sendowo-Blimbingsari	78
2.3a: Population nativity in Sangkrah according to duration of stay	79
2.3b: Population nativity in Sendowo –Blimbingsari per duration of stay	79
2.4a: Population distribution in Sangkrah per land tenure status	80
2.4b: Popn distribution in Sendowo-Blimbingsari per land tenure status	80
2.5a: Population nativity in Sangkrah according to land tenure status	81
2.5b: Population nativity in Sendowo-Blimbingsari according to land tenure status	81
2.6a: Employment Opportunities available in Sangkrah	82
2.6b: Employment Opportunities available in Sendowo-Blimbingsari	82
2.7a: Primary Household heads' Income Levels in Sangkrah	83
2.7b: Primary Household heads' Income Levels in Sendowo-Blimbingsari	83
2.8a: Supplementary Income levels of household heads in Sangkrah	83
2.8b: Supplementary Incomes of household heads in Sendowo-Blimbingsari	84
2.9a: Levels or Years of Education Attained in Sangkrah	84
2.9b: Levels or Years of Education Attained in Sendowo-Blimbingsari	84
3.0a: Accessibility to Water Services (PDAM) – Sangkrah	86
3.0b: Water Sources Sendowo – Blimbingsari	87
3.1a: Population Accessibility to Sanitation Services in Sangkra	87
3.1b: Facility accessibility in Sendowo – Blimbingsari	87
3.2a: Facility accessibility in Sangkrah as per Land Tenure Status	88
3.2b: Facility accessibility in Sendowo-Blimbingsari as per Land Tenure Status	88
3.3a: The Typology of Housing Types in Sangkrah	89
3.3b: The Typology of Housing Types in Sendowo-Blimbingsari	89
3.4a: Housing Improvements in Sangkrah slum – squatter settlement	92
3.4b: Housing Improvement in Sendowo-Blimbingsari slum–squatter settlements	92
3.5a The level of marginality in Sangkrah	97

3.5b The level of marginality in Sendowo-Blimbingsari	97
3.6a: Impact of Supplementary income on marginality in Sangkrah	97
3.6b: Impact of additional income on marginality in Sendowo – Blimbingsari	97
3.7a: Marginality by the number of Children (sangkrah)	98
3.7b: Marginality by the number of Children (Sendowo-Blimbingsari)	98
3.8a: Cross-Tabulation of dependency and the mean - median incomes in Sangkrah	99
3.8b: Cross-Tabulation of the number of children and the mean and median household incomes in Sendowo-Blimbingsari	100
3.9a: Marginality per the nature of household occupations in Sangkrah	103
3.9b: Marginality per household occupations in Sendowo-Blimbingsari	103
4.0a: Overall marginality by nature of household occupation in Sangkrah	104
4.0b: Overall marginality/household occupations in Sendowo – Blimbingsari	105
4.1a: Overall marginality by educational levels in Sangkrah	106
4.1b: Overall marginality by educational levels in Sendowo-Blimbingsari	106
4.2a. Marginality of household types by level of educ. attained in Sangkrah	107
4.2b. Marginality of households types by education attained in S – Blimbingsari	107
4.3a: Cross –Tabulation of Housing Quality in Sangkrah	114
4.3b: Cross –Tabulation of Housing Quality in Sendowo-Blimbingsari	114
4.4a: Cross-tabulation of HQI and Housing tenure types in Sangkrah	116
4.4b: Cross-tabulation of HQI and Housing tenure types in Sendowo – Blimbingsari	116
4.5a. Cross-tabulation of housing quality and levels Education attained in Sangkrah	117
4.5b. Cross-tabulation of HQ and levels Education attained in S-Blimbingsari	118
4.6a: Cross-Tabulation of HQI by Nature of Occupations in Sangkrah	119
4.6b: Cross-Tabulation of HQI by Nature of Occupations in S-Blimbingsari	120
4.7a: Cross-tabulation of HQ and Nativity in Sangkrah	122
4.7(b). Cross-tabulation of HQ and Nativity in Sendowo-Blimbingsari	122
4.8a: Rate of housing improvements in Sangkrah, 2007 – 2012	126
4.8b: Rate of housing improvements undertaken in Sendowo-Blimbingsari	126
4.9a: Houses transformed from one type to another in Sangkrah, 2007 – 12	129
4.9b: Houses transformed from one type to another in Sendowo-Blimbingsari	129
5.0a: Housing Improvement as per Land Tenure status in Sangkrah	133

5.0b: H. Consolidation in Sendowo-Blimbingsari as per Land Tenure status	133
5.1a: Floors improved in Sangkrah as per tenure status	134
5.1b: Floors improved in Sendowo-Blimbingsari as per tenure status	134
5.2a: Installation of Urban amenities in Sangkrah	135
5.2b: Installation of Urban amenities in Sendowo-Blimbingsari	135
5.3: Regression Results of Housing Consolidation by Slums Households	141
5.4: Regression Results of Housing Consolidation by Squatter Households	142
5.5: Regression Results of Housing Consolidation by Q -- Squatter H-holds	142
5.6: Comparison between Predicted results and the Reality of unweighted model (M1)	148
5.7: Comparison between Predicted and Reality Results of weighted model (M2)	149
5.8a: Spatial Distribution of predicted needy population in Sangkrah	149
5.8b: Spatial Distribution of predicted needy population in Sendowo-Blimbingsari	150
5.9a: Population-Facility Pressure and extra facilities needed in Sangkrah	154
5.9b: Population-Facility Pressure and extra facilities needed in Sendowo-Blimbingsari	155
6.0a: Indices of Spatial, Residential Segregation as per Land Tenureship in Sangkrah	159
6.0b: Indices of Spatial, Residential Segregation per Land Tenureship in S-Blimbingsari	160
6.1a: Location Quotients in Sangkrah per land tenure	160
6.1b: Location Quotients for Sendowo-Blimbingsari per land tenure	160
6.2a: Indices of Dissimilarity and Residential Segregation in Sangkrah	166
6.2b: Location Quotients according to duration of stay in Sangkrah	166
6.3a: Indices of Dissimilarity and Residential Segregation in S-Blimbingsari	169
6.3b: Location Quotients due duration of stay in Sendowo-Blimbingsari	169
6.4: Spatial Dissimilarity (ID_{XYZ}) and Segregation (IS_{XYZ}) Indices as per Education in both Sangkrah and Sendowo-Blimbingsari	173
6.5a: Location Quotient results of education in Sangkrah	174
(6.5b): Location Quotient results of education in Sendowo-Blimbingsari	175
6.6a: Spatial Separation and Residential Segregation per Land tenureship and education in Sangkrah	175

6.6b: Spatial Separation and Residential Segregation as per Land tenureship and education in Sendowo-Blimbingsari	176
6.7a: Location Quotients in Sangkrah due to education and tenure status	176
6.7b: Location Quotients in Sendowo-Blimbingsari due to education tenure	177
6.8a:Indices of Spatial separation and Residential Segregation according to Job Types in Sangkrah	178
6.8b: Indices of Spatial separation and Residential Segregation according to Job Types in Sendowo-Blimbingsari	178
6.9a: Spatial dissimilarity and residential segregation Indices in Sangkrah per Job Type	179
6.9b: Spatial dissimilarity, residential segregation Indices in S-Blimbingsari per Job Type	180
7.0a: Occupational Location results in Sangkrah	180
7.0b: Occupational Location results in Sendowo-Blimbingsari	180
7.1: Indices of Spatial Separation and Residential Segregation per Income in Indonesia's Slum-Squatter settlements	181
2a: Indices Spatial Separation and Residential Segregation according to Income in Sangkrah	182
7.2b: Indices Spatial Separation and Residential Segregation according to Income in S- Blimbingsari	183
7.3. Number of the homeless in Yogyakarta, 2007 -12	188

GRAPHS

1a: Graphical representation of dependency burden and the mean and median incomes in Sangkrah	100
1b: Graphical representation of dependency burden and the mean and median incomes in Sendowo-Blimbingsari	100
2a: Graphical Representation of Marginality by number of children in a household in Sangkrah	101
2b: Graphical Representation of Marginality by number of children in a household in Sendowo – Blimbingsari	102
3a: Marginality by nature of household head occupations in Sangkrah	104
3b: Graphical Representation of marginality by Occupational types in S-Blimbingsari	105
4a: Graph showing marginality by education levels in Sangkrah	107
4b: Graph showing marginality by education levels in Sendowo-Blimbingsari	108
5a: Relationship btwn marginality and (HQI) by the nature building materials in Sangkrah	115
5b: Relationship between marginality and (HQI) by the nature building materials in S-Blimbingsari	115
6a: Contrast of Housing Quality per the nature of land status in Sangkrah	116
6b: Contrast of Housing Quality per the nature of land status in S-Blimbingsari	117
7a: Contrast between Housing Quality and levels of education attained in Sangkrah	118
7b: Contrast between Housing Quality and levels of education attained in S-Blimbingsari	118
8a: Housing Quality by nature of household head's occupation in Sangkrah	120
8b: Housing Quality by nature of household head occupation in S-Blimbingsari	121
9a: Housing Quality as per Population Nativity in Sangkrah	123
9b: Housing Quality as per Population Nativity in Sendowo-Blimbingsari	123
10a: Rate of Housing Improvement in Sangkrah 2007 – 2012	126
10b: Rate of Housing Improvement in Sendowo-Blimbingsari	126
11a: Housing Transformations in Sangkrah 2007 – 12	129
11b: Housing Transformations in Sendowo-Blimbingsari, 2007 – 201 2	130
12a: Housing Improvement as per Land Tenure in Sangkrah, 2007 – 2012	133
12b: Housing Improvement as per Land Tenure in Sendowo-Blimbingsari	133

13a: Floors Improved in Sangkrah per Land Tenure Status	134
13b: Floor Improvement in Sendowo-Blimbingsari as per Land Status	135
14a: Major Facilities Installed according to Household Types in Sangkrah	136
14b: Major Facilities installed / Household Type in Sendowo-Blimbingsari	136
15a: Graphical presentation of the needy in Sangkrah, 2007 – 2012	150
15b: Graphical presentation of the needy in Sendowo-Blimbingsari	150
