Keywords	iii
Acknowledgements.....	vi
Abbreviations.....	vii
Table of Contents	viii
List of Tables	X
List of Charts	xi
List of Figures	xii
Chapter 1: Introduction	1
1.1 Background.....	1
1.2 Problem Statement	4
1.3 Research objective	6
1.4 Research Question	6
1.5 Significance of the Study	7
Chapter 2: Literature review	8
2.1 Housing Needs and Housing Transformations	8
2.1.1 Housing Needs.....	8
2.1.2 Housing Transformation.....	9
2.1.3 Home-Based Enterprises.....	13
2.2 Access and Regulation.....	16
2.2.1 Access.....	16
2.2.2 Institution, Regulation and Planning	20
2.3 Livelihoods Model	22
2.3.1 Livelihoods Approach	22
2.4 Access and Regulation and their relation to HBEs and Livelihoods	25
2.5 Conceptual Framework	27
Chapter 3: Research Design and Methods.....	29
3.1 Research Strategy	29
3.2 Operationalization	31
3.3 Data Collection and Sample.....	33
3.4 Validity and Reliability	35
3.5 Limitation of the Research.....	37
Chapter 4: Research Findings.....	39
4.1 General Information.....	39
4.1.1 Tasikagung Neighbourhood.....	39
4.1.2 Description of the Control and Treatment Group.....	42
4.1.3 Key Informants	45
4.2 Research Analysis and Findings.....	46
4.2.1 Sub research question 1: What kind of transformation for economic activities do the fishermen carry out for their house?	46
4.2.1.1 Type of HBEs	46
4.2.1.2 HBEs Operators.....	51

4.2.1.3	HBEs' Permission	53
4.2.2	Sub research question 2: What are the reasons of housing transformation for economic activities conducted by the fishermen?	54
4.2.3	Sub research question 3: How do the HBEs relate to the changes of livelihoods assets management?	59
4.2.3.1	Access to Employment.....	60
4.2.3.2	Access to Infrastructure	62
4.2.3.3	Access to Planning and Decision Making Process	64
4.2.3.4	Livelihoods Assets Management	69
4.2.4	Sub research question 4: How does the government regulation support or limit this HBEs creation?.....	76
4.2.4.1	Opinion of Government Agencies on HBE Existence in the Neighborhood	76
4.2.4.2	Current Policy related to HBE Control	77
4.2.4.3	Future Policy related to HBEs	80
Chapter 5: Conclusions.....		82
Conclusion.....		82
Bibliography		88
Annex 1.....		91
Annex 2.....		103

List of Tables

Table 1. Operationalization.....	31
Table 2. Sample size and Selection	35
Table 3. Follow up interviewees	45
Table 4. Key informants	45
Table 5. Change in Access to Basic Infrastructure	62
Table 6. Correlation between Meeting Attendance Frequency and Giving Inputs – Participating in Incidental Events	68
Table 7. Change in Food Consumption.....	72

List of Charts

Chart 1. Description of Treatment and Control Group (person)	44
Chart 2. Type of HBEs	47
Chart 3. Room Usage	49
Chart 4. Type of Room Used as HBEs	49
Chart 5. HBEs Operators	52
Chart 6. Reason of House Transformation	55
Chart 7. Reason of Transformation in Treatment Group	58
Chart 8. Location of HBEs Related to Road Width	64
Chart 9. Involvement in Community Organization of Both Groups	65
Chart 10. Type of Organization	65
Chart 11. Members' meeting Attendance frequency	68
Chart 12. Type of Shocks	71
Chart 13. Helps during Shocks	72
Chart 14. Preference of Place to Save Money	73
