

## Table of Contents

Cover Title .....	i
Approval From Thesis Advisor.....	ii
Table Of Content.....	iv
Intisari .....	vi
Abstract .....	vii
Chapter I. Introduction .....	1
Chapter II. Literature Review .....	5
2.1. Theories and Empirical Evidences of Government Expenditure and Economic Growth.....	5
2.2. Theories and Empirical Evidences of FDI and Economic Growth.....	9
2.3.Theories and Empirical Evidences of Government Expenditure and FDI.....	13
2.4. Summary of Literature Review and Hypothesis .....	14
Chapter III. Methodology And Data .....	18
3.1. Methodology .....	18
3.1.1. Government Expenditure and Economic Growth .....	19
3.1.2. FDI and Economic Growth .....	21
3.1.3. FDI as Moderating Effect on Government Expenditure and Economic Growth.....	21
3.1.4. Control Variable .....	23
3.2. Measurement of Variables .....	23
3.3. Data Description.....	26
3.4. Heteroscedasticity and Autocorrelation Test .....	33
3.5. Robustness Test.....	35
3.6. Limitation.....	35
Chapter IV. Result And Discussion .....	37
4.1. The Relationship between Government Expenditure and Economic Growth.....	37
4.1.1. The Impact of Total Government Spending on Economic Growth .....	37
4.1.2. The Impact of Productive and Non Productive Spending on Economic Growth .....	41
4.2. Relationship between FDI and Economic Growth .....	43

4.3. FDI as Moderating Variable on Relationship Government Expenditure and Economic Growth .....	46
Chapter V. Conclusion, Implication and Further Researches .....	52
5.1. Conclusion .....	52
5.2. Implication and Further Researches .....	53
Bibliography .....	55
Appendix .....	60
Appendix 1. Countries In The Sample .....	60
Table1. Descriptive Statistic .....	61
Table2. Coefficient Correlation .....	63
Table3. Regression Model for Government Consumption and Growth Rate .....	64
Table4. Regression Model for Productive Government Expenditure and Growth Rate .....	65
Table5. Regression Model for Non-productive Government Expenditure and Growth Rate .....	66
Table6. Regression Model for FDI Inflows and Growth Rate .....	67
Table7. Regression Model for Government Expenditure and Growth Rate with FDI as Moderating Variable .....	68
Table8. Regression Model for Productive Government Expenditure and Growth Rate with FDI and Schooling as Moderating Variables .....	69
Table9. Robustness Test for Total Government Expenditures .....	71
Table10. Robustness Test for Government Expenditures Component .....	73
