

## TABLE OF CONTENT

GRADUATION PAPER TITLE.....	i
LETTER OF APPROVAL.....	ii
LETTER OF STATEMENT.....	iii
PREFACE.....	iv
TABLE OF CONTENT.....	vi
TABLE OF TABLE.....	vii
TABLE OF FIGURE.....	viii
ABSTRACT.....	ix

### Chapter I : Introduction

I.A Research Background.....	1
I.B Problem Formulation.....	3
I.C Research Goal.....	4
I.D Research authenticity.....	4
I.E Benefits of Study.....	5
I.E.1 Benefits for Researchers.....	5
I.E.2 Benefits for Government.....	6

### Chapter II : Literature Review

II.A Viral Hepatitis.....	7
II.B Hepatitis C Virus.....	8
II.C Structure of HCV.....	12
II.D Life cycle.....	14
II.E Epidemiology.....	22
II.F Route of transmission.....	24
II.G High Risk Population.....	27
II.H Hepatitis Vaccination.....	29
II.I Fundamental Theory.....	31
II.J Theoretical Framework.....	32
II.K Conceptual Frameworks.....	33

### Chapter III : Research Methodology

III.A Research design.....	34
III.B Research subject.....	34
III.B.1 Research population.....	34
III.B.2 Research sample size.....	35
III.B.3 Research Sampling.....	35
III.B.4 Research criteria.....	36
III.C Material and Equipments.....	36

III.C.1 Research Materials.....	37
III.C.2 Research Equipments.....	37
III.D Research Process.....	37
III.D.1 Preparation.....	37
III.D.2 Research.....	38
III.E Data Retrieval Procedure.....	39
III.F Data Analysis Methode.....	39
III.G Research Limitation.....	39
Chapter IV : Result and Discussion	
IV.A Result.....	40
IV.B Discussion.....	43
Chapter V : Conclusion	
V.A Conclusion.....	48
V.B Suggestion.....	48
References.....	49

**TABLE OF TABLE**

TABLE 1. The demographic table of seropositive anti by  
age. . . . . 42
